## About Frontier

Currently in its 16th year of operations, Frontier is the second-largest carrier at Denver International Airport, with more than 300 daily system-wide departures and arrivals to more than 50 destinations in the United States, Mexico and Costa Rica. With an all-new Airbus fleet equipped with DIRECTV® and pay-per-view movies in every Airbus seat back, Frontier's goal is to offer the best value proposition at the highest levels of customer service in each of the markets it serves.

## Frontier Team

Frontier employs approximately 5,000 aviation professionals in cities throughout Frontier's route system.

\* Service provided by Frontier Airlines Holdings, Inc. subsidiary Lynx Aviation

† Service provided by both Frontier and Lynx Aviation operating as Frontier

## Partnerships

Frontier currently has three operating partnerships. The airline offers service to more than 30 regional destinations under its codeshare with Great Lakes Aviation and Frontier Airlines Holdings, Inc. subsidiary Lynx Aviation operates 11 Q400 aircraft for Frontier, serving 15 regional markets within a 600-mile radius of Frontier's Denver hub. In addition, Frontier and Midwest Airlines have a codeshare partnership that allows passengers of both airlines access to 70 destinations in the U.S., Mexico and Costa Rica.

## RECENT AWARDS AND RECOGNITION

- Won Emmy Award in the 2009 Heartland Chapter Emmy Awards. The honor recognized Frontier's "Leather Seats" television spot (July 2009).
- For the seventh consecutive year, Travel + Leisure magazine recognized Frontier as one of readers' "Top 10 Domestic Airlines" in its 2009 World's Best Awards (July 2009).
- Frontier measured second in passenger satisfaction with airlines in the Market Metrix Hospitality Index™ for the first quarter of 2009. (June 2009).
- For the tenth consecutive year, Frontier's maintenance department received the Federal Aviation Administration Diamond Award (1999-2008). The award is the highest given by the FAA and recognizes advanced training for aircraft maintenance professionals throughout the industry. To receive the award, 25 percent of a company's aircraft maintenance technicians must complete certified training requirements beyond the technician's initial licensing. Frontier was the first airline to have 100 percent of eligible employees complete the aviation maintenance training program (February 2009).
- For the fifth consecutive year, Condé Nast Traveler magazine recognized Frontier as one of readers' "Top 10 Domestic Airlines" in its Readers' Choice Awards (October 2008).
- Won Effie Award for the second consecutive year. The 2008 Silver honor recognized Frontier's "Favorite Animal" campaign (June 2008).
- Won Martin Luther King, Jr. Business Social Responsibility Award, a high honor bestowed upon individual business people, corporations and non-profit organizations who have contributed to the Denver community (January 2008).
- Frontier's "Favorite Animal" campaign was nominated for a Technology & Engineering Emmy® Award in the category of Outstanding Achievement in Advanced Media Technology for Best Use of "On Demand" Technology (December 2007).
- Won U.S. "Program of the Year" and "Best Award" at the 19th Annual Freddie Awards for the best frequent flyer programs, and placed in six other categories (April 2007).
- Business Traveler magazine named Frontier "Best LCC" in the United States in its annual reader's poll (December 2006).
