

FRONTIER Cargo

April 23rd 2008

Dear Valued Customer,

The unprecedented rise in the price of fuel has necessitated increasing our fuel surcharge. Effective May 19th 2008, the fuel surcharge will rise by **0.02c/lb** to **0.15c/lb** on all shipments.

We are constantly monitoring the fuel prices and when these moderate, the savings will be passed through to you, our customers. We have tried very hard to absorb this extra expense and are confident that our fuel surcharge is one of the lowest in the industry.

We thank you for your patience and understanding, and we look forward to serving your shipping needs.

Sincerely,

Malcolm Montgomery
Cargo Sales Manager
