Dear Valued Customer,

The recent rise in the price of fuel has necessitated increasing our fuel surcharge. Effective April 1st 2011, the fuel surcharge will rise by **\$ 0.02c/lb** to **\$ 0.19c/lb** on all shipments. The minimum fuel surcharge of **\$ 5.00** per airbill remains unchanged

We are constantly monitoring the fuel prices and when these moderate, the savings will be passed through to you, our customers. We have tried very hard to absorb this extra expense and are confident that our fuel surcharge is one of the lowest in the industry.

We also instituted a minimum security surcharge of **\$ 2.00** per airbill effective March 1<sup>st</sup> 2010. The security surcharge remains unchanged at **\$ 0.06c/lb**.

We thank you for your patience and understanding, and we look forward to serving your shipping needs.

Sincerely,

Malcolm Montgomery  
Cargo Sales Manager
